

BUILDING DEPARTMENT

220 E. Mountain View Street, Suite A • Barstow, CA 92311 • PH. 760-256-3531

PROJECT BUSINESS LICENSE VERIFICATION FORM

This form must be completed **AS SOON AS POSSIBLE** and be submitted to the City of Barstow Building Department **PRIOR** to issuance of a building permit. The Building Department **WILL NOT** issue a building permit until all contractors, subcontractors or businesses associated with this project possess a valid City of Barstow business license. Please note that the business license, as well as the required contractor license(s), must remain in effect for the duration of the project or a **STOP WORK** order may be posted. Your cooperation in enforcing this requirement by the timely submission of this form, completed in full, will prevent unnecessary inconvenience and delays in securing a building permit, inspection, or the project final approval. Thank you.

***Special Inspectors are required to check-in with the City of Barstow Building Department and complete a Special Inspector application and provide the required documentations/certifications prior to conduction of any special inspection. A copy of the special inspection report must also be provided to the Building Department once it has been completed by the Special Inspector. Final Inspections will not be conducted unless all special inspection reports have been submitted to the City's Building Department**
