UTILITY SERVICE APPLICATION AND AGREEMENT

This Application and Agreement hereby requests and authorizes the City of Barstow ("Provider") to bill the Applicant for solid waste, and or /sanitation (sewer) utility services ("Services") in accordance with the terms and conditions applicable to the costumers as may be provided for by any of the Provider's ordinance, code, resolution, policy or other means of decision. This Agreement shall be governed by the following terms and conditions mutually agreed to by the respective parties.

1. Provider reserves the right to enter into or reject Agreement.
2. The Owner("Owner") means any person, natural or legal, that has a legal ownership of the parcel whose name and address appears on the last equalized secured property tax assessment roll or an owner who can otherwise provide sufficient evidence, as determined by the Provider, that he/she is the property owner of record. Owner may also mean an agent or other representative as designated and authorized by power of attorney or legal contract/agreement. The Owner remains liable for all charges to the account and guarantees payment for the amount owed.
3. The Applicant is subject to all fees and rates related to the establishment and maintenance of an active account as established by the Provider.
4. All services rendered pursuant to this Application and Agreement and furnished hereunder shall be used in accordance with ordinances, rules, and regulations of the Provider.
5. This Agreement does not prevent or restrict Provider from terminating any service(s) for nonpayment of bills, fraud, or noncompliance with any applicable Federal, State, or local rule or regulation.
6. Payment of fees and charges does not transfer ownership to the Applicant.
7. Bills are due and payable upon receipt and are delinquent after the last day of the billing cycle.
8. The total amount due must be paid by the due date indicated in the bill. A late fee consisting of both penalties and interest will be assessed on delinquent balances. The fee may be reflected on a subsequent bill but will not relieve the Applicant of any obligation to pay bill by any future due date. Provider may seek any and all remedies available to collect unpaid balances due.
9. It is the obligation and responsibility of the Applicant to notify the Provider of any changes in Applicant information provided in the Application Agreement.

I have read and understand, and accept the terms and condition of this Agreement. As evidence thereof, I have affixed my signature.
