

# RESPONSE TO PUBLIC COMMENTS

## JOINT SPECIAL MEETING | August 1, 2022

The City of Barstow welcomes Public Comment from its residents and general public in respect to various items pertaining to the business of the City.

In order to effectively address constituent concerns prior to City Council Meetings, we encourage residents and the general public to attend our committee meetings, which allow for public participation and direct discussion with city staff on citywide related issues.

Attending the committee meetings allows an open forum for discussion of resident concerns without the 3 minute time duration as implemented during Public Comment at City Council Meetings, allowing staff to address issues prior to City Council Meetings.

Please refer to our city website at [www.barstowca.org](http://www.barstowca.org) to review the city calendar for scheduled committee meetings of interest.

We look forward to your participation.
