

WORKFORCE

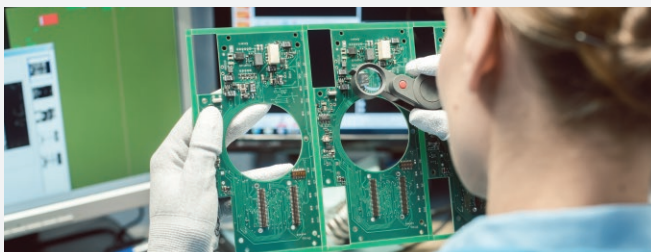

Barstow offers employers a workforce ready to take on the challenges of tomorrow.

SMART, YOUNG AND TALENTED

AWARD-WINNING EDUCATION

- ▶ The innovative programs at the City's highly-acclaimed Barstow STEM Academy, a California Gold Ribbon School, the Career and Technical Education and Trade Schools at the award-winning Barstow Community College, offer a new generation of trained and skilled workers.

- ▶ Barstow Community College and higher education at facilities partner together for training, providing our manufacturing or high tech businesses direct access to a skilled and motivated workforce.

- ▶ With a regional trade area exceeding 320,000 within 42 miles. Barstow offers employers a skilled and energetic talent pool to draw upon. Many who live here work elsewhere, and would like to find quality jobs closer to home. New employers find a ready reserve of qualified workers available when they move to Barstow.
