Notes: In accordance with SB272, Government Code Sections 7922.700 - 7922.725, this document is available on the City's website, www.barstowca.org, and may be requested by the public at the City Clerks office. This document is updated annually.

For this document, an enterprise system is a multi-department system of record. This catalog excludes:

- (A) Information technology security systems, including firewalls and other cybersecurity systems.
- (B) Physical access control systems, employee identification management systems, video monitoring, and other physical control systems.
- (C) Infrastructure and mechanical control systems, including those that control or manage street lights, electrical, natural gas, or water or sewer functions.
- (D) Systems related to 911 dispatch and operation or emergency services.

(E) Systems that would be restricted from disclosure pursuant to Government Code Section 7929.21.

(F) The specific records that the information technology system collects, stores, exchanges, or analyzes.
