

Vacant Rental Property Rental Property Program

If you have received a letter from the Residential Rental Inspection Services about a possible rental property and the property is planned to be vacant for a substantial time, please complete the following Vacant Rental Property form. Utility paperwork showing no utilities are active are required to be exempt. Utility paperwork must be provided on a monthly basis.

I certify that I am the legal property owner of the property listed below located at the address listed below in the City of Barstow.

Property Owner First Name:	
Property Owner Last Name:	
Email Address:	
Phone Number:	
Property Address:	

<input type="checkbox"/>	Utility company paperwork attached	Acceptable utility company forms: Golden State Water and/or Southern California Edison.
--------------------------	------------------------------------	---

This information will be verified with San Bernardino County Property Tax Records and the Utility Company. We also reserve the right to verify the selected occupancy above in-person.

I understand that as long as the physical and mailing address of this property differ, that the City may perceive the property as a rental property. Therefore, at this time, I am requesting that this property be exempt from rental property program, to include: the application and any fees associated with these as set forth in the Barstow Municipal Code Section 5.91.010 - Rental Property Inspection Requirements. I understand that once the property is restored with utilities, the property is subject to the Rental Property Inspection requirements.

I declare, under penalty of perjury, that the foregoing is true and correct.

Yes, I agree.
