

The City of Barstow is testing for the position of...

PUBLIC SAFETY DISPATCHER

(TO ESTABLISH AN ELIGIBILITY LIST FOR *FULL-TIME AND PART-TIME POSITIONS*)

THE CITY OF BARSTOW

Rich in California history and located in the northern Inland Empire region of San Bernardino County, the City of Barstow spans 40 square miles and is centrally located midway between Los Angeles and Las Vegas. The community was founded in 1886 and incorporated as a City in 1947. Today, Barstow is home to around 23,000 residents and blends the best elements of small town charm with convenient access to big city amenities. As the place where Interstates 15 and 40 intersect with Highways 58 and 247, Barstow truly sits at *the crossroads of opportunity, where the best is yet to come.*

Barstow's international reputation for being a premier community has attracted an eclectic mix of railroad, military, high technology, and mining employers in town. Burlington Northern Santa Fe Railroad's largest classification yard calls the City home. In addition, the U.S. Army National Training Center at Fort Irwin, the Marine Corps Logistics Base, and NASA's Goldstone Deep Space Network all have operations based in the greater Barstow area.

THE CITY ORGANIZATION

Barstow is a general-law city operating under the Council-Manager form of government. The City Manager is appointed by the City Council to serve as the organization's Chief Executive Officer and leads a full-time staff of 153 employees and a part-time staff of 63 employees while administering a Fiscal Year 2017/2018 Budget of approximately \$39 million.

As the only full-service city in the Inland Empire's High Desert Region, Barstow coordinates its organization in six departments, including the City Manager's Office, Police Department, Fire Department, Community Development Department, Community Services Department, and the Finance Department. The City organization has recently engaged in an exciting initiative to reinvent itself into a dynamic, innovative, fast-paced, and strategic operation. Employees are empowered to take calculated risks and there is an ongoing commitment to the continuous improvement of all aspects of the municipal operation.

THE POSITION

In late 2010, the Barstow Fire Protection District was absorbed as a subsidiary entity of the City of Barstow. Since that time, the City has worked to incorporate operational processes between both agencies. One of the significant integration efforts currently underway is the merger of both police and fire dispatching services.

To support those assimilation efforts, Barstow is looking for highly energetic and motivated self-starters to serve as the primary link between the public and police officers & firefighter / paramedics in the field. The City will test for the Public Safety Dispatcher position and will establish a candidate eligibility list for future Dispatcher vacancies.

Communications is the hub of the City's public safety operations. Citizens and public safety personnel rely on Public Safety Dispatchers to serve as the vital link in providing a wide variety of first responder services to the community. Through our hands free computer aided dispatch (CAD) center, 911 calls will be answered efficiently, the caller's needs are assessed and the proper resources and are personnel dispatched to resolve each particular event. The ideal candidate should possess the ability to multi-task and remain calm, logical, and decisive under emergency situations.

The Public Safety Dispatcher position is a uniformed, non-sworn (civilian) employee. Given that the dispatching operation serves as a 24-hour facility, the Dispatch position involves rotating shift work, including nights, weekends, and holidays.

The City of Barstow is an Equal Opportunity Employer.
